

SUMMER CHEER CAMPS

COME DANCE WITH US

Dance your way through the summer with the Saracens Sensations. Our two day intensive dance camps, delivered by our award winning coaches, will focus on dance, cheers and stunts.

The fun filled days have been designed to develop creativity, team spirit, and enhance the dance skills of all those involved. The event will be inclusive and challenging as children will be split into two groups dependent on their age and ability.

Each course will conclude with a performance and presentation at the end of day two so the participants can demonstrate their newly learnt cheer routines.
